    Meetings after coordination with the professor

4. INTRODUCTION TO THE COURSE
A fundamental part of the integral formation of a professional is the ability to communicate in a foreign language in addition to the native language itself. It not only broadens its cultural horizon but also allows a more humane and comprehensive view of life. In the case of foreign languages, English is undoubtedly the most practical because it is spoken around all the world. There is no country where it is not spoken. In addition to being vital to your professional career

5. GOALS

- Increase the level of conversation in different subjects, in the students. As well as the ability to write and read documentation of all kinds.

- Bring the student to a more intense expression in the language domain.
